## **2016 VALSECCHI VINEYARD**

### **Carneros District Sonoma Valley Zinfandel**

This vineyard is one of Biale's little gems - a beautiful Zinfandel from a small inconspicuous site just outside the town of Sonoma, off Napa Road. Technically this vineyard lies just within the northern boundary of the Carneros Appellation which makes it very rare indeed – one of only a few Zinfandels and certainly the oldest existing vineyard within this AVA (American Viticultural Appellation).

Carneros (meaning “rams” in Spanish), lying close to San Pablo Bay, has a particularly cool, breezy and foggy maritime climate with soils that were formed millennia ago when it once was submerged by an inland sea. Occasionally fossilized sea shells can be found among the rocks and soils of Carneros vineyards. Easy access for barges and boats and excellent agricultural conditions made Carneros a prime source for all types of produce and meats that were supplied to early San Francisco – grapes being among the most in demand.

The Valsecchi Vineyard is named for John Valsecchi, who after a life of dairy work, retired to farm the old Zinfandel vineyard near Sonoma he had purchased that was planted around 1900. Under the prideful and loving care of Valsecchi's grandson, Ron Mick, the vineyard has survived with its ton or two of grapes going to Biale since 1995. Hidden behind a farmhouse, you would never notice this patch of twisting and weathered old vines. Now - Valsecchi in the glass -you would sit up and take notice!

**Vintage Notes:** The 2016 growing season was near-perfect with an early start and ideal weather conditions throughout. A relatively steady and mild July and August and then a series of warm days at the end of the growing season, vineyards were able to progress to perfect ripeness. The season wrapped up beautifully as the first significant fall rainstorm arrived on October 14th – just after the last of our grapes were picked.

**Harvest Dates:** 9/12/2016

**Winemaking:** The fruit was hand-sorted first in the field then again at the winery. Open-top fermentation and punched down three times per day. Pressed to Burgundian oak – 20% new. Aged 14 months.

**Alcohol:** 14.8%

**Winemaker's Tasting Notes:** This wine makes you want to take a bite out of it. Strawberry, rhubarb, lychee, pastry, turmeric and herb de Provence are present in the nose of this lovely wine. It has concentrated fruit with a creamy texture and a punch of acidity which makes for a long refreshing finish.

Only 100 cases produced.
